Food Supplement

Cardio Flow is a unique blend of nutrients containing 5 grams of pharmaceutical grade L-Arginine per scoop. L-Arginine is a powerful vasodilator that helps to maintain healthy blood flow throughout the body.

1 scoop is equivalent to 10 x 500 mg L-Arginine capsules.

Directions:

Add 1 scoop to ¼ pint/150 ml of un-chlorinated water. Take 1 hour away from food or as directed by a healthcare professional. Do not exceed the stated dose without the advice of a healthcare professional. Cardio Flow should not be used as a substitute for a varied and well balanced diet and healthy lifestyle.

Special care and awareness:

Do not use if the seal is broken. Not advisable if pregnant, lactating, under the age of 18, undergoing cancer treatment or have had ocular or brain herpes. High doses of L-Arginine may cause reactivation of latent herpes virus in a few susceptible individuals. If this occurs, discontinue use & contact a healthcare professional. Not recommended for individuals who are currently taking sildenafil citrate (Viagra®).

Store in a cool dry place.

Keep out of reach of children
